

SCIENCE OF READING & DYSLEXIA TRAINING

APPROVED PROVIDER

Side-by-Side Educational Consulting's training course is approved by the Idaho State Department of Education, meeting the requirements for Idaho Code 33-1811 (4) dyslexia professional development and recertification.

PROVEN HISTORY

We are a team of education professionals with a proven history of providing professional development and on-site support aligned to the Science of Reading and evidence-based literacy practices. We provide educators with the what, why, and how of reading instruction rooted in structured literacy principles, empowering educators with essential understandings of reading development at any age paired with instructional tools to better meet the varied needs of the students they serve, particularly students at-risk for dyslexia.

RESEARCH TO PRACTICE

The Side-by-Side team is adept at creating pathways between research and classroom practice. We have a laser focus on bringing the “why” and the “how” together with educators.

DYSLEXIA TRAINING

According to Idaho law, educators must complete training in dyslexia before the beginning of the 2023-2024 school year. Our training meets these requirements, including training in the characteristics of dyslexia, dyslexia assessment, and instruction and intervention.

UNDERSTANDING DYSLEXIA

2023 TRAINING SERIES

TRAINING OVERVIEW

Idaho Code 33-1811 states that no later than the beginning of the 2023-2024 school year, K-5 educators (instructional staff and coaches employed by a local education agency and involved in the instruction of students in grades K-5, including those providing special education instruction) and 6-12 educators (all teachers, administrators, and school counselors with an instructional certificate in grades 6-12) must receive dyslexia professional development. K-5 teachers must receive professional development in three areas:

Characteristics of Dyslexia, Dyslexia Assessment, and Instruction and Intervention, whereas 6-12 teachers must receive professional development in Characteristics of Dyslexia. Training is divided as follows:

- ✓ Introduction to Dyslexia Part 1: Characteristics of Dyslexia (K-12 educators, 2 hours)
- ✓ Introduction to Dyslexia Part 2: Dyslexia Assessment; Instruction and Intervention (K-5 educators, 2 hours)

A certificate of completion is provided to each educator who completes the course (Part 1 for 6-12 educators and Parts 1-2 for K-5 educators)

TRAINING DELIVERY

Training delivery can be differentiated through varied models including:

- ✓ In-person training at your school or district site
- ✓ Live, synchronous online format via Zoom
- ✓ A hybrid approach utilizing both in-person and online via Zoom

Whatever delivery model you choose, we work to ensure that every educator is provided the latest information and tools to better understand dyslexia and incorporate evidence-based literacy instruction into their classrooms.
